

New TLRP Current Awareness Mailing List

Following the success of the 'alert' service of the TLRP Research Capacity Building Network at Cardiff University an expanded service has been established through the JISCMail system.

This service will alert subscribers to forthcoming events and opportunities through the use of 'topic' keywords

Journal for information about 'Building Research Capacity' on-line or in hard copy
VRE for information about the JISC funded Virtual Research Environment

Alert for the TLRP alert service which is now to be based at the University of Strathclyde
Capacity; Contract; Newstaff for information about the annual TLRP Capacity Building Conference and about meetings and conferences for Research Staff and newly appointed Lecturing staff.

Courses for information on courses provided by the newly established National Centre for Research Methods, its six nodes, the ESRC Research Methods Programme etc

Modules for information about the suite of 15 on-line Modules in research methods being developed together with the Applied Educational Research Scheme in Scotland to be made available as a free educational 'good' over the web

Societies for information on work with the various 'learned societies' in the field of education (eg BERA, SERA, SRHE)

Consortia for information about fostering regional collaborations to enhance system wide capacity building

Fellowships for information about a number of non-stipendary TLRP Fellowships to foster the emergence of a new generation of Principal Investigators

The new alert system is being hosted by the dedicated JISCMail server and the following instructions allow you to register quickly (and can be used later to alter your registration of interests if you so wish):

- 1) While connected to the internet call up www.jiscmail.ac.uk
- 2) In the 'FIND LISTS by list name' box type TLRPCapacity and click GO
- 3) Point to the third bulleted option 'Join or leave the list (or change settings)'
- 4) Enter your preferred email address and your preferred name in the two boxes
- 5) Leave the default settings for 'Subscription Type', 'Mail Header Style', 'Acknowledgments', and 'Miscellaneous'
- 6) In the 'Topics' list clear the keywords for which you do NOT want a subscription leaving the 'Other' box checked
- 7) Click 'Join TLRPCapacity and close the browser
- 8) You will receive an email asking you to confirm your registration by clicking on a hyperlink. This email is valid for 10 days after which you would need to re-register if you have not confirmed your registration.

Please note that this JISCMail list is an 'announce only' list which means that you cannot use 'Reply' to contact us.

The contact details for TLRP's future Capacity Building are:

Professor Stephen Baron
Applied Educational Research Centre
Faculty of Education,
University of Strathclyde,
76 Southbrae Drive,
GLASGOW
G13 1PP
Telephone and FAX: 0141-950-3135
Email: TLRPCapacity@ioe.ac.uk

We hope that you will keep in contact with these exciting developments and feel able to contact the TLRP team as necessary
